Email [andrastamas1970@outlook.com](mailto:andrastamas1970@outlook.com) and [john.crampton4@btinternet.com](mailto:john.crampton4@btinternet.com)

*I'm originally from Hungary where I learnt carpentry, joinery & woodwork from the raw lumber stage to furniture making and then into employment in a commercial environment successfully for 18 years. I chose to move to the UK when offered a work opportunity and have lived here in full employment for the past 5 years.*

### **Education**

YBL Miklos University (Budapest) 1988- 1991

Educated in professional joinery, attending lectures and working on actual building sites and successfully obtaining qualifications including the YBL Diploma. Part of the course included mathematics, physics, mechanics, design all part of the overall understanding of integral building work. Also on commercial work assignments & apprenticeships.

### **Status**

DOB 24/05/1970 – 47 years of age

Marital Status: Single, unmarried, no children

### **Employment**

1991-1993 Switzerland for Hans Ruffie – rural work on wooden farm buildings, fencing & barn work.

1993-2007 Hungary for Hegedus KFT Consolidated – working on medium to large building ventures as Project Manager for hotels, housing complexes, castle renovation with the accent always on wood.

2007-2012 Hungary for Lux-Tex Nationwide (Move) – Site Manager on housing projects, inspections for quality control on any deflections, control & logistics. Liaison and monthly reports. Company cars available to me in this more senior managerial role.

2012-2013 United Kingdom, Slough for AB Cleaning Ltd – Comprehensive Property Maintenance ranging from relaying floors with woods & laminates, replacing windows & doors, shed building and paintwork. A 1 year contract.

2013 – 2016 United Kingdom, Datchet decided to become Self-Employed Carpenter. Clients included Spices Restaurant, Gant Property Maintenance (Decorex Design Show for US water works)

2016 to Dec United Kingdom for G P Asbestos Ltd – carpentry and roofing

## **Work Experience**

I'm experienced in many fields of the commercial building industry (and domestic) ranging from fitting door frames, windows (including framework and plate glass at Kew Botanical Gardens), new kitchens and partly replacing old, (including a large private job in Chelsea/Kensington).

Other work includes simple painting and decorating, insulation to fitting new bathroom fixtures. Walls & plasterboard work to divide rooms. Building/restructuring a wine cellar. Complete roof rebuilding of timber framework at a private residence in Great Missenden.

## **Reference**

I'm the founder and owner of Heritage World Media based here in Datchet [www.HeritageWorldMedia.com](http://www.HeritageWorldMedia.com) and as a journalist writing on predominantly listed buildings for the past 10 years I put my trust in Tamas and would happily speak for him.

Please feel free to look at my work in Articles & Books where you will find stories ranging from the Jesus Hospital in Bray to the birth of the FCC in Shanghai/Hong Kong.

There you will also find Tamas's CV.
